Council Report

July 07, 2021

Training: Bob Spring who is our departments training officer will be returning to active status at the beginning of August. We are getting the training organized that we were asked about by council and have 2 dates to choose from. We can do Wednesday August 11th or Wednesday the 18th and the training will take roughly 3 hours. The scenarios we are planning will be vehicle stops and building searches. Just let me know what date works best for everyone so we can plan accordingly.

Events on the 4th: The parade and fireworks were very crowded this year and I think everyone involved had a great time. For as many people as we had attend, we had very few incidents to deal with. During the parade we had a couple parking issues and no other incidents were reported. During the fireworks we had a couple calls dealing with underage drinking as well as a reported reckless driver that resulted in an arrest. We had extra Officers scheduled for both events and everything went as well as it could have. I would like to just say thanks to all involved planning the parade and fireworks for a well-planned day of events.

Speed Complaints on East Granville: We placed a speed signs on East Granville Street to collect traffic data on vehicles entering the corporation limits on State Route 37 at Walnut Street. North bound 37 at Walnut Street there were **7496** vehicles counted. Out of those **7496** vehicles **1813** of them were traveling **over 35MPH but under 40MPH** and **438** vehicles were **above 40MPH but under 45MPH**. (**106 vehicles were traveling 10MPH or more over the posted 35MPH speed limit**) These numbers seem to be high but keep in mind the speeds we are seeing are being picked up by the speed sign right at or just before entering the Corporations 35MPH sign. **5139 vehicles were traveling 35MPH or less when entering the corporation.**

We now have the speed sign set up near East Granville and Arbor Drive south bound to get a count on vehicles as well as an average of speed violations on vehicles leaving the Village. This data will be pulled in 7 days, and I will have the information available at our next council meeting.

Just a reminder that we are planning our Village auction on July 28th, 2021 at 5:00 or 5:30pm (time not yet determined)

Calls for service:

Village of Sunbury Regular Council

Minutes

July 7, 2021

For the month of **June 2021**, we had **445** calls for service (In June of 2020 we had 231 calls for service)

Court (Traffic):

Mayors Court: **24** Defendants with a total of **27** charges

Municipal Court: **2** Defendant with a total of **4** charge

Criminal charges: **4** Defendants with a total of **4** charges

Traffic stops for **June** were **94** (June of 2020 were 26 traffic stops)

Total Defendants cited were **26**

Roughly **72% (72.34%)** of the vehicles stopped were issued either **written or verbal warnings** for their infractions.

Impounds:

The Police Department impounded **3** vehicles in the month of June.

Questions?

Robert Howard

Chief of Police

Training sessions with Council dates were discussed being perhaps August 11, 18 or 25.

The Chief gave a brief update on the recent thefts in the neighborhoods.

ADMINISTRATOR'S REPORT:

ADMINISTRATOR'S REPORT

July 7, 2021, Edition

1). Personnel Update 1). The Administrator has been directed to prepare an offer letter to an Administrative Clerk candidate following a second set of interviews with three (3) candidates.
 2). We have reached agreement with one candidate to work at the WWTP as FT Operator. Michael Cossin from Marengo will start at the WWTP, FT on Monday July 12, 2021.

2). Notice from Census Bureau—We received materials (attached) from Chad Stover, Delaware County Census office, with respect to Field position opportunities in Delaware County. There is no update on when the Census results will be certified by the federal government.

3). Bucket Truck Update- Brad and Kathy are working hard to get the new bucket truck to the Village. Our best estimate is it will be here by the end of next week. At that time there are numerous streetlight repairs in the queue which staff can start on. All necessary supplies and replacement parts are on hand in anticipation of the lift truck’s arrival.

Respectfully submitted by Allen Rothermel

PRIVATE DEVELOPMENT PROJECTS

Magnolia Park (Formerly Orchid Park)

The proposed single-family subdivision contains 39 lots on 25.95 acres to the east of Big Walnut Middle School, south of Cheshire Road. The subdivision will connect to Cheshire Road, Fairland Drive, and the future development to the south on the Price property. The property is zoned R2 and the Developer has received a variance to keep the present zoning classification.

Magnolia Park Overall Plan from Street, Storm and Water Plans

Revised plans were submitted and have been reviewed. Comments have been forwarded (except for review of Stormwater; expected to be completed this week).

The Sanitary Sewer Plan, the Stormwater Management Plan, and the Street Lighting Plan have been approved. There are issues with the proposed phasing, pedestrian access to the school, and the number of trees that are being proposed that need to be resolved/addressed before the street plans can be approved. These matters were presented to the Developer previously and have not been addressed.

Revised plans have been submitted and are under review. We anticipate submitting to Council for approval at its meeting scheduled for July 7, 2021.

P&Z Commission

The Developer has proposed to sequence the construction. Phase 1 will be the

6 lots along the east side of the entrance drive. With Phase 1, the developer will build the entrance drive from Cheshire Rd to the south side of the north entrance to the school. Phase 2 will be the section along Fairland Dr and will include the extension of the entrance road to the south property line.

approved amendments to the previously approved Development Agreement (DA). Council will be asked to approve the amendments to the DA on 7.7.21. If approved, Council will then be asked to approve the construction plans for the development at the same meeting.

Price Farms

This 336-unit PRD development is proposed for 184 acres east of Golf Course Road, immediately south of the Middle School (and the proposed Magnolia Park subdivision) and north and east of the proposed Rolling Hills subdivision. The property was zoned PRD on July 15, 2020, under Ordinance No. 2020.23.

The Preliminary Plat was approved by the Planning and Zoning Commission at its May 24, 2021, meeting.

Additional information submitted per contingencies; currently under review.

No updates.

- Spoke to the amendment clarifying the reason for phase one to come in from Fairland Drive, this will open more lots initially. The second part is the landscape plan regarding the planting of the 250 trees, since the original development plan, there is no longer adequate room for the agreed upon number of trees and this amendment will modify the number to 100 trees. Planning and zoning commission has agreed with the proposed changes. **Brehm** also voiced his approval of the amendment, also pointing out how the two phases will now also have connectivity, which had been a concern with BST&G.
